Hi Everyone,

There are two calls scheduled on Monday, 7/18.

**9am PST** – Specification – Close on public comments - [https://wiki.linuxfoundation.org/openchain/spec-2016-h1-public-comments](https://wiki.linuxfoundation.org/openchain/spec-2016-h1-public-comments)

**5pm PST** – Curriculum – Review draft slides
Specification – Finalize Spec & discuss FAQs

Phone bridge info for both calls:

Join the call: [https://www.uberconference.com/katestewart](https://www.uberconference.com/katestewart)
Optional dial in number: 877-297-7470
Alternate number: 512-910-4433
No PIN needed

If you need to use a local phone number, please consult: [https://www.uberconference.com/international](https://www.uberconference.com/international) for the specific country numbers.

1. Dial the local number based on your location.
2. Enter 512 910 4433, then #.

Thanks,
Kelly
